Our commitment to you: Peace-of-Mind Protection

- Basic Coverage: 3 years/60,000 km
- Powertrain Limited Warranty: 5 years/100,000 km
- Corrosion Perforation Warranty: 5 years/unlimited distance
- Roadside Assistance: 5 years/100,000 km

Certain conditions apply. For more information on these warranties and coverages, ask your local Ford of Canada Dealer or visit ford.ca.

Ford Extended Service Plan. Help protect your investment and add to your peace of mind by complementing your vehicle purchase or lease with a Ford Extended Service Plan (ESP). Ford ESP protects you against unexpected repair costs after your Basic Coverage in the New Vehicle Limited Warranty expires by covering many vehicle components. Enjoy the drive even more by complementing your ESP with a prepaid maintenance plan, which covers all required scheduled maintenance for your vehicle, plus 8 wear items. See your Ford of Canada Dealer for details.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your local Ford of Canada Dealer for details or check us out at fordcredit.ca.

Ford Original Accessories that are properly installed by the authorized Dealer that sold the accessory will be warranted for whichever provides you the greatest benefit: 24 months/unlimited distance, or the remainder of your 3-year/60,000-km New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your local Ford of Canada Dealer for details and/or a copy of all limited warranties.

For prompt, courteous answers to your questions: Ford Customer Relationship Centre 1-800-565-3673; Ford Credit Customer Service Centre 1-877-636-7346.

2016 | EXPLORER

Go Further

Perfect your adventures.

Capably outgoing. Technologically advanced. Beautifully refined. The new Explorer is outfitted to elevate your getaways. It's more aerodynamic, more luxurious and even easier to park than its predecessor. Go further. In Ford Explorer – 25 years of adventures and counting.

Sport. White Platinum Metallic Tri-coat. Available equipment.

Get going. Choose your motivation.

Go with the 3.5L Ti-VCT for 290 hp – unsurpassed in its class¹ among standard V6 engines. Go with the 2.3L EcoBoost² for a rating of 8.5L/100 km (33 mpg) hwy, which even the hybrid competition in its class can't beat.³ Or go for spirited performance with the 365-hp⁴ 3.5L EcoBoost, standard on Sport and the all-new Platinum.

Tow up to 5,000 lbs. (2,268 kg)⁵ with the Class III Trailer Tow Package (available on 3.5L Ti-VCT equipped models; standard on Sport and Platinum). You can also pair the new Class II Trailer Tow Package with the 2.3L EcoBoost² for up to 3,000 lbs. (1,361 kg) of towing capability.

To help you maintain control of both the vehicle and your trailer, standard trailer sway control automatically reduces engine speed and selectively applies the brakes if trailer sway is detected.⁶

You can shift gears for yourself with the sport-inspired paddle shifters on the standard 6-speed SelectShift[®] automatic transmission. Or leave it to Explorer.

Substantially more powerful than the engine it replaces, the turbocharged, direct-injection 2.3L EcoBoost² gives Explorer 280 hp⁴ and 310 lb.-ft. of torque.⁴ Just the get-up-and-go you need to get going on those adventures.

2.3L ECOBOOST²
8.5L/100 km (33MPG) HWY³
12.6L/100 km (22MPG) CITY³

¹Class is Large Utilities. ²Available feature. ³FWD. Fuel consumption ratings based on Government of Canada approved test methods. Actual fuel consumption will vary. ⁴Figures achieved using 93-octane fuel. ⁵When properly equipped. ⁶Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

Go for top-of-the-line performance.

Explorer Sport and the all-new Platinum are powered exclusively by the twin-turbocharged, direct-injection 3.5L EcoBoost® engine. Producing 365 hp¹ and 350 lb.-ft. of torque¹ – best-in-class among V6 engines – the 3.5L EcoBoost is the most exhilarating way to go.

The powerful stance of Explorer Sport is accentuated by its 20" machined aluminum wheels with painted pockets, a unique blackout treatment on its headlamps and tail lamps, "EXPLORER" lettering across its hood, and high-gloss Black-painted exterior accents on its grille, door handles, liftgate appliqué, front and rear skid plate elements and more.

The signature Sport look carries inside to a uniquely styled Ebony Black leather-trimmed interior with Red accent stitching, satin-chrome with Carbon Sport accents, and "Sport" badging on the floor mats.

Riding on a responsive, fully independent sport-tuned suspension, Sport also features a rugged front strut tower support and wide wheels. For excellent driving dynamics, both Sport and Platinum include the Intelligent 4WD with Terrain Management System.™ It'll have you itching to flex those 3.5L EcoBoost muscles.

Sport. Ruby Red Metallic Tinted Clearcoat. Available equipment.

¹Figures achieved using 93-octane fuel.

Dial up your capability.

Ready to go? Just choose a direction. As your adventures change, simply turn the dial to match. The Intelligent 4WD with Terrain Management System™¹ helps Explorer give you the seamless shift-on-the-fly confidence to keep right on going.

Snow, Gravel, Grass optimizes traction and control on a wide array of slippery surfaces.

Sand allows aggressive wheelspin to help you stay on top.

Mud, Rut lets the tires spin a bit if needed to help keep you on the go.

Normal is ideal for everyday driving on wet or dry paved roads.

Hill Descent Control™ (centre button) regulates your speed on steep declines, so you can concentrate on manoeuvring.

Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ¹Available feature.

Kick to open and close.

Loading cargo into Explorer has never been easier than with its foot-activated hands-free power liftgate.¹ Just kick your foot under the rear bumper with your Intelligent Access¹ key fob tucked in a pocket or purse. The liftgate detects the motion of your leg and the proximity of the fob, then opens or closes on its own. You can even program its fully opened height to the position that works best for you.

Switching between cargo and people is easy thanks to the versatility of the standard 2nd-row 60/40 split seat and 3rd-row 50/50 split seat.

A class-exclusive PowerFold^{®1} 3rd-row seat is standard on Limited this year, as well as on Sport and Platinum. You can also enjoy power-assist fold¹ with the 2nd-row bucket seats¹ on Limited, Sport and Platinum.

Pack up to 2,314 litres (81.7 cu. ft.)² of gear in back when you fold the 2nd- and 3rd-row seats flat. Or stow up to 595 litres (21.0 cu. ft.)³ of cargo behind the 3rd row when all seats are occupied. Explorer easily adjusts as your adventures evolve.

¹Available feature. ²Weight of passengers and cargo must not exceed the limit shown on the Tire Information Label. ³Including rear seat well.

Transport up to 7 in all-new Platinum luxury.

Premium Nirvana leather trim is featured throughout its cabin. An industry-exclusive 500-watt Audio System from Sony® brings you Clear Phase™ and Live Acoustics™ technology. With these outstanding features and more, the all-new Explorer Platinum is designed to elevate the SUV experience well beyond your expectations.

Massage your lumbar region and upper leg area, and change your seat contour with the power 1st-row multicontour seats with class-exclusive Active Motion.¹ Exquisite details such as the real Brown Ash Swirl wood and aluminum accents and the precisely quilted stitching are unique to Platinum.

Recall your memory settings at the touch of a button for the 10-way power driver's seat,¹ power-adjustable pedals¹ and power-folding sideview mirrors.¹

Charge your phones and tablets nearly 2 times faster than the previous model using the new smart-charging USB ports¹ in the 2016 Explorer.

With the most 2nd-row head room and 3rd-row leg room in its class, Explorer keeps guests happy. Riders in the 2nd row can also enjoy bucket seats¹ with a pass-through to the 3rd row, or with a 2nd-row centre console.¹ It's your call.

HEATED/COOLED 1ST-ROW SEATS¹

HEATED STEERING¹

500-WATT SYSTEM FROM SONY¹

All-new Platinum. Medium Soft Ceramic Nirvana leather trim. Available equipment.

¹Available feature.

Just say a command.

Then get connected as voice-activated Ford SYNC®¹ delivers hands-free calls with the simple push of a button and the sound of your voice. Once paired, automatic phone book download transfers the names and numbers in your compatible phone. Voice-activated music search lets you say what music you want to hear and listen to it easily, or say "Bluetooth® audio" to stream content from your phone. Plug in your MP3 player, USB or iPod® to listen to your favourites as well. SYNC also features 911 Assist® with GPS location reporting. SYNC. Say the word.

Explorer responds to your touch as well, via the SYNC with MyFord Touch™^{1,2} 8" colour LCD touch screen. Colourful graphics and simple controls make it easy to operate your phone, entertainment, navigation² and climate control.

For interactive maps to zoom and scroll, upgrade to the voice-activated Navigation System², complete with 3D landmarks.

Listen to your favourites all across Canada with SiriusXM.^{®2} Your 6-month prepaid subscription gets you the best in audio entertainment including 100% commercial-free music from every genre, world-class news, sports, comedy and entertainment.³

| SYNC

((SiriusXM®))

All-new Platinum. Medium Soft Ceramic Nirvana leather trim. SYNC with MyFord Touch. Available equipment.

¹Some mobile phones and some digital media players may not be fully compatible. Driving while distracted can result in loss of vehicle control. Only use SYNC/MyFord Touch/other devices, even with voice commands, when it is safe to do so. SYNC with MyFord Touch voice recognition and screens available in English, French and Spanish. Some features may be locked out when the vehicle is in motion. ²Available feature. ³SiriusXM subscriptions sold after 6-month prepaid period expires. Subscriptions are governed by SiriusXM Customer Agreement; see siriusxm.ca.

Manoeuvre it easier than before.

Perpendicular. Parallel. Backing in. Heading out. The new Explorer offers advanced technologies¹ to ease you through all sorts of challenging situations. Class-exclusive, enhanced active park assist¹ uses side parking sensors to help you find a spot and steers the vehicle into place, while you control the gear shifter, and the brake and accelerator pedals. It can steer out of tight parallel spots too. And alert you to obstacles near the sides of the vehicle as you go.

Stay alert to traffic detected in blind spots thanks to BLIS® (Blind Spot Information System) with cross-traffic alert.¹ It helps warn you using LED lights embedded in the sideview mirrors.²

Get a heads-up from adaptive cruise control and collision warning with brake support.¹ This system helps maintain your choice of 4 preset gaps from the vehicle in front of you. It can also alert you to a potential collision and help by pre-charging the brake system if one is detected. Our Lane-Keeping System¹ can detect lane markings and send vibration pulses to the steering wheel, and apply steering torque if needed, prompting you to steer toward centre.³

See around corners with the class-exclusive new front 180° camera with washer.¹ It provides an extended view of what's nearby as you drive slowly forward out of parking spots, or when approaching corners and the like.

Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ¹Available feature. ²BLIS replaces standard integrated blind spot mirrors. ³Lane-Keeping System does not control steering.

Venture out with confidence.

In addition to its standard full-colour rear view camera with washer and 7 standard airbags, you can now equip any Explorer with class-exclusive inflatable rear safety belts¹ in its 2nd-row outboard seating positions.

Parents of teens can encourage smart driving habits with our exclusive MyKey,[®] which lets you block their calls and text messages while they're driving.

If it senses you're taking a curve too quickly, Curve Control helps reduce the vehicle's speed by up to 16 km/h in approximately one second.² It's standard as part of AdvanceTrac[®] with RSC[®] (Roll Stability Control™).

For a comprehensive list of Safety & Security features on every Explorer, please turn the page.

FRONT-PASSENGER KNEE AIRBAG

INFLATABLE 2ND-ROW SAFETY BELTS¹

CURVE CONTROL²

XLT. White Platinum Metallic Tri-coat. Available equipment.

¹Available feature. ²Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

Explorer Specifications

Sport: Ruby Red Metallic Tinted Clearcoat.

Standard Features

Mechanical

4-wheel disc Anti-Lock Brake System (ABS)
70-litre fuel tank
Compact spare
Cruise control
Easy Fuel® capless fuel filler
Electric power-assisted steering
Engine block heater
Hill start assist
Independent front and rear suspension
Trailer sway control

Seating

1st-row bucket seats
4-way driver and front-passenger head restraints
2nd-row 60/40 split fold-flat seat with fore/aft adjustable 40 section
3rd-row 50/50 split fold-flat seat

Interior

1st-, 2nd- and 3rd-row dome/map lights
1st-row centre console with armrest and storage
12-volt powerpoints (2 in 1st row, 1 in 2nd row and 1 in rear cargo area)
Accessory delay for power features
Adjustable driver and front-passenger sun visors with covered and illuminated vanity mirrors
Air conditioning with auxiliary rear controls
Cabin air filter

Cargo area hooks
Cupholders (12)
Front-passenger (1) and 2nd-row (2) assist handles
Load floor tie-down hooks
Locking glove compartment
Overhead console with sunglasses holder
Power door locks
Power windows with front one-touch-up/-down feature
Rear-window defroster
Steering wheel-mounted cruise, audio, and 5-way controls (2)

Exterior

Automatic headlamps
Daytime running lamps
Dual chrome exhaust tips
LED headlamps with halogen reflector high beams
LED tail lamps
Power sideview mirrors with integrated blind spot mirrors
Privacy glass (rear doors, rear quarter windows and liftgate window)
Rear spoiler
Roof-mounted antenna
Windshield wipers – Front: speed-sensitive, variable-intermittent with washer; rear: 2-speed with washer

Safety & Security

Personal Safety System™ for driver and front passenger includes dual-stage front airbags ¹ ; safety belt pretensioners, safety belt energy-management retractors, safety belt usage sensors, driver's seat position sensor, crash severity sensor, restraint control module and Front-Passenger Sensing System
AdvanceTrac® with RSC® (Roll Stability Control™) and Curve Control
Autolock
Battery saver with headlamps-off delay
Belt-Minder™ front safety belt reminder
Child-safety rear door locks
Front height-adjustable shoulder safety belts
Front-passenger knee airbag ¹
