#### Our commitment to you: Peace-of-Mind Protection

- Basic Coverage: 3 years/60,000 km
- Powertrain Limited Warranty: 5 years/100,000 km
- Corrosion Perforation Warranty: 5 years/unlimited distance
- Roadside Assistance: 5 years/100,000 km

Certain conditions apply. For more information on these warranties and coverages, ask your local Ford of Canada Dealer or visit [ford.ca](http://ford.ca).

**Ford Extended Service Plan.** Help protect your investment and add to your peace of mind by complementing your vehicle purchase or lease with a Ford Extended Service Plan (ESP). Ford ESP protects you against unexpected repair costs after your Basic Coverage in the New Vehicle Limited Warranty expires by covering many vehicle components. Enjoy the drive even more by complementing your ESP with a prepaid maintenance plan, which covers all required scheduled maintenance for your vehicle, plus 8 wear items. See your Ford of Canada Dealer for details.

**Ford Credit.** Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your local Ford of Canada Dealer for details or check us out at [fordcredit.ca](http://fordcredit.ca).

**Ford Original Accessories** that are properly installed by the authorized Dealer that sold the accessory will be warranted for whichever provides you the greatest benefit: 24 months/unlimited distance, or the remainder of your 3-year/60,000-km New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your local Ford of Canada Dealer for details and/or a copy of all limited warranties.

**For prompt, courteous answers to your questions: Ford Customer Relationship Centre 1-800-565-3673; Ford Credit Customer Service Centre 1-877-636-7346.**

# 2016 | EXPEDITION+MAX

Go Further

# Delivers the extraordinary.

Ford Expedition + Expedition MAX deliver all of the power, capability and space your adventures demand. Under the hood, there's an efficient 3.5L EcoBoost® twin-turbocharged direct-injection engine. Inside, roomy seating for up to 8 makes it easy to share outings with all of your favourite people. This year, new next-generation SYNC® 3 voice-activated technology<sup>1</sup> only adds to your feeling of empowerment. Take charge.

<sup>1</sup>Available feature. Some mobile phones and some digital media players may not be fully compatible. Driving while distracted can result in loss of vehicle control. Only use SYNC/other devices, even with voice commands, when it is safe to do so. SYNC voice recognition and screens available in English, French and Spanish. Some features may be locked out while the vehicle is in motion.

Platinum. White Platinum Metallic Tri-coat. Available equipment.

# Empowers you like never before.

With its state-of-the-art 3.5L EcoBoost® direct-injection twin-turbocharged engine and 6-speed SelectShift® automatic transmission, Expedition has a fuel efficiency rating of 11.9L/100 km highway!

**Confident acceleration and passing** performance is courtesy of the engine's robust output. It gives Expedition 365 hp<sup>2</sup> and 420 lb.-ft. of torque,<sup>2</sup> with 90% of peak torque on tap from 1,700 through 5,000 rpm.

**Already proven** in extensive durability testing equivalent to 10 years of use in harsh environments, as well as in real-world use on our popular F-150 pickup, the 3.5L EcoBoost engine empowers the 2016 Expedition to take you and your active family further.

<sup>1</sup>16.2L/100 km city and 11.9L/100 km hwy (17 mpg city/24 hwy), Expedition. 16.4L/100 km city and 12.0L/100 km hwy (17 mpg city/24 hwy), Expedition MAX. Fuel consumption ratings based on Government of Canada approved test methods. Actual fuel consumption will vary for all ratings. <sup>2</sup>Figures achieved using 93-octane fuel.

420 LB.-FT.<sup>2</sup> | 365 HP<sup>2</sup>

11.9 L/100 km (24 MPG) HWY<sup>1</sup>  
16.2 L/100 km (17 MPG) CITY<sup>1</sup>

Limited MAX. Ruby Red Metallic Tinted Clearcoat. Available equipment.

## Advances your adventures.

Ready to make your family's dream trip a reality? So is the 2016 Expedition. Its 9,200-lb. (4,173-kg) towing capacity,<sup>1</sup> standard trailer sway control and standard Control Trac<sup>®</sup> 4-Wheel-Drive (4WD) System are just the beginning. With features like a progressive range select mode on its 6-speed SelectShift<sup>®</sup> automatic transmission and class-exclusive<sup>2</sup> mechanical rear load-levelling suspension,<sup>3</sup> Expedition takes your travels to a whole new level.

**When starting up an incline**, whether in Drive or Reverse, hill start assist helps by momentarily maintaining brake pressure until the engine delivers enough torque to move you uphill.

**To further ease trailering**, our integrated trailer brake controller balances the performance of the vehicle's brakes and your electric trailer brakes.<sup>4</sup> Centre and distance guidelines on our full-colour rear view camera display (shown at left on the 8" screen of SYNC<sup>®</sup> 3)<sup>3</sup> can help you align with your trailer.

**A class-exclusive off-road display** on the vibrant 4.2" colour LCD screen empowers you with key information including the vehicle's pitch angle, bank angle and wheel direction.

**For increased off-road confidence**, Hill Descent Control<sup>™</sup> helps maintain the vehicle's speed on steep declines, so you can concentrate on manoeuvring.

*Expedition XLT. Blue Jeans Metallic. Available equipment.*

Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. <sup>1</sup>When properly equipped. <sup>2</sup>Class is Extended Utilities. <sup>3</sup>Available feature. <sup>4</sup>Trailer brake controller verified to be compatible with electrically actuated drum brakes and certain electric-over-hydraulic brake systems. See your Ford of Canada Dealer for details.

## Rewards your party of 8.

The Expedition lineup comfortably supports your family and friends as you travel from one memory-making destination to the next. Heated and cooled 1st-row seats,<sup>2</sup> heated 2nd-row seats,<sup>2</sup> and luxurious leather trim<sup>2</sup> are all standard on Limited and Platinum. Choose the standard 2nd-row 40/20/40 split-fold seat with CenterSlide<sup>®</sup> functionality and reclining seat backs. Or go for roomy 2nd-row bucket seats<sup>2</sup> with a pass-through to the 3rd row. Either way, your 3rd-row riders will enjoy best-in-class leg room.

**Best-in-class max. cargo space of 3,703 litres (130.8 cu. ft.)<sup>3</sup>** (Expedition MAX) and a flat load floor are easy to access with the power liftgate.<sup>2</sup>

**Our PowerFold<sup>®</sup> 3rd-row seat<sup>2</sup>** operates with one-touch push-button ease, allowing you to quickly switch from carrying people to transporting cargo and back again.

**Pack more into Expedition MAX** thanks to its 1,207 litres (42.6 cu. ft.) of cargo space behind the 3rd row – the most of any vehicle in its class – and an adjustable Cargo Management System<sup>2</sup> that can help you keep it organized.

**Listen to your favourites all across Canada** with SiriusXM.<sup>®</sup> Your 6-month prepaid subscription gets you the best in audio entertainment including 100% commercial-free music from every genre, world-class news, sports, comedy and entertainment.<sup>4</sup>

**((SiriusXM))**

*Platinum MAX. Brunello luxury leather trim with perforated inserts.*

Cargo and load capacities limited by weight and weight distribution. <sup>1</sup>Cargo volume behind 3rd-row seat compared to regular length Expedition. <sup>2</sup>Available feature. <sup>3</sup>Behind 1st-row seats with the 2nd- and 3rd-row seats folded flat. <sup>4</sup>SiriusXM subscriptions sold after 6-month prepaid period expires. Subscriptions are governed by SiriusXM Customer Agreement; see [siriusxm.ca](http://siriusxm.ca).

## SYNC® 3. The next generation is here.

Standard on Limited and Platinum and optional on XLT, new SYNC 3 technology<sup>1,2</sup> brings enhanced next-level connectivity to Expedition. In addition to all the voice-activated benefits of the standard SYNC system – placing and answering calls, and controlling music from your USB or smartphone – you'll love the innovative new features and easy-to-use new interface of SYNC 3.

**New hardware meets new software** on the easy-to-read 8" colour LCD touch screen that displays phone, audio and navigation<sup>1</sup> functions.

**High-speed performance**, including a capacitive touch screen with convenient swipe and pinch-to-zoom features, means you'll experience quick responses to your touch or voice commands.

**Enhanced voice recognition** lets you talk with simple, real-world commands and the system responds naturally to your voice, making hands-free calling that much easier.

**Siri® seamless integration** brings the power of Siri Eyes Free<sup>3</sup> and your iPhone®<sup>3</sup> into your vehicle.

**Automatic updates over Wi-Fi®<sup>4</sup>** let you keep SYNC 3 up to date with the latest software as new updates become available.

### SYNC. Say the word.®

Standard on XLT, Ford SYNC<sup>2</sup> with a 4.2" screen delivers many of the great features found on SYNC 3, including:

**Hands-free calling** that lets you make a call with the simple push of a button along with the sound of your voice.

**Automatic phone book download** that transfers the names and numbers in your compatible phone automatically, once paired.

**Voice-activated music commands** that let you say what music you want to hear and listen to it easily with voice-activated search, or say "Bluetooth® audio" to stream content from your phone.

**Plug-in capability** with your MP3 player, USB or iPod.®

<sup>1</sup>Available feature. <sup>2</sup>Some mobile phones and some digital media players may not be fully compatible. Driving while distracted can result in loss of vehicle control. Only use SYNC/other devices, even with voice commands, when it is safe to do so. SYNC voice recognition and screens available in English, French and Spanish. Some features may be locked out while the vehicle is in motion. <sup>3</sup>You must have a Bluetooth-enabled phone paired to your SYNC system. <sup>4</sup>Optional Navigation System map updates cannot be received via Wi-Fi and require a separate update. Data rates may apply.

**A new capacitive touch screen** with SYNC 3 has impressive responsiveness like a smartphone's swipe feature, as well as pinch-to-zoom functionality with navigation.<sup>1</sup>

**Simple music access** helps you find your favourite music fast. Through intelligent voice commands, SYNC 3 can automatically switch between music sources.

**Easy destination entry** within navigation<sup>1</sup> helps you locate your favourite restaurants, nearest ATM, closest fuel station and more.

## Puts you firmly in charge.

The advanced technology engineered into the 2016 Ford Expedition helps you share the best of life with family and friends. And do it all with confidence.

**Enjoy its capable steering feel** thanks to electric power-assisted steering, which helps correct for road irregularities and smooths out minor vibrations.

**Customize its suspension performance** by setting the continuously controlled damping<sup>1</sup> (CCD) to any of 3 drive modes (Normal, Comfort, Sport). Choose "Comfort" for a soft ride, or "Sport" for a more nimble, responsive driving experience. CCD is paired with 22" polished aluminum wheels<sup>1</sup> on Platinum.

**Stay alert to traffic detected in blind spots** as you drive forward, or traffic nearing either side of the vehicle as you slowly back up, thanks to BLIS<sup>®</sup> (Blind Spot Information System) with cross-traffic alert<sup>1</sup>. It helps warn you using lights embedded in the sideview mirrors<sup>2</sup>.

**Add to your peace of mind** with the knowledge that AdvanceTrac<sup>®</sup> with RSC<sup>®</sup> (Roll Stability Control<sup>™</sup>) is standard on every Expedition. Beneficial on all surfaces and in various weather conditions, it helps you avoid skidding and fishtailing<sup>3</sup>. For a comprehensive list of Safety & Security features, please turn the page.

Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. <sup>1</sup>Available feature. <sup>2</sup>BLIS replaces standard integrated blind spot mirrors. <sup>3</sup>Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

# Expedition+MAX Specifications

Platinum. Shadow Black. Available equipment.

## Standard Features<sup>1</sup>

### Mechanical

3.5L EcoBoost® V6 engine
6-speed SelectShift® automatic transmission with progressive range select
4-wheel independent suspension
4-wheel power disc brakes with Anti-Lock Brake System (ABS)
106-litre fuel tank capacity (127-litre on Expedition MAX)
Control Trac® 4-Wheel-Drive (4WD) System
Easy Fuel® capless fuel filler
Electric power-assisted steering
Engine block heater
Full-size spare wheel and tire
Hill Descent Control™
Hill start assist
Non-limited-slip rear axle – 3.31:1 ratio (Expedition only); 3.73:1 ratio (Expedition MAX only)

### Seating

1st-row bucket seats
2nd-row 40/20/40 split-fold seat with CenterSlide® (slide-forward feature for centre section); reclines and folds flat to floor in cargo mode

### Interior

Assist handles (2 in 1st row, 2 in 2nd row and 1 for liftgate)
Auto-dimming rearview mirror
Auxiliary rear climate control
Carpeted floor mats in 1st and 2nd rows
Cruise control
Cupholders (9)

Floor console with storage bin, coin holder, 4 cupholders, 2 powerpoints, auxiliary rear audio and climate controls, and pen holder
Leather-wrapped steering wheel
Overhead console with map lights, single sunglasses holder, conversation mirror and rear quarter window switches
Power door locks
Powerpoints (3)
Power rear quarter windows
Power windows with one-touch-up/-down driver's side window feature
Rear floor air vents
SiriusXM® with 6-month prepaid subscription
Steering wheel-mounted audio controls
Sun visors with illuminated vanity mirrors
Universal garage door opener

### Exterior

Automatic headlamps with rainlamp feature
Bright exhaust tip
Chrome door handles
Front tow hooks
Heavy-Duty Trailer Tow Package includes Class IV hitch receiver, 7-/4-pin connectors, heavy-duty auxiliary transmission oil cooler, heavy-duty radiator, electronic brake wiring kit, and integrated trailer brake controller
LED fog lamps
Privacy glass (rear doors, rear quarter windows and liftgate window)
Reverse Sensing System

SecuriCode™ keyless entry keypad
Windshield wipers – Front: 2-speed variable-intermittent; rear: 2-speed intermittent with washer

### Safety & Security

3-point safety belts for all seating positions
AdvanceTrac® with RSC® (Roll Stability Control™)
Belt-Minder™ front safety belt reminder
Child-safety rear door locks
Dual-stage front airbags <sup>1</sup> ; safety belt pretensioners, safety belt energy-management retractors, safety belt usage sensors, driver's seat position sensor, crash severity sensor and restraint control module
Front-seat side airbags <sup>2</sup>
Height-adjustable shoulder safety belts for 1st row
LATCH – Lower Anchors and Tether Anchors for Children on rear-outboard seat positions
MyKey®
Perimeter alarm
Rear view camera
Safety Canopy® System with 3-row side-curtain airbags <sup>1</sup> and rollover sensor
SecuriLock® Passive Anti-Theft Engine Immobilizer System
Side-intrusion door beams
SOS Post-Crash Alert System™
Tire Pressure Monitoring System (excludes spare)
Trailer sway control
